President's Message

A quick reminder, there will be an Orange Art Association Member's Only Show to be held at the Tustin Senior Center located at 200 South C Street, in Tustin in the month of May.

Also we still have openings on the Orange Art Association Board of Directors or committees. This is your club, please help make it better.

Tony Podue and I were informed by Chapman University Gallery representative just before Easter, that the Guggenheim Gallery will not be available to our club for our annual "Orange Open" this summer.

So please, if we are going to find an alternate location each and every member needs to help look for a new location. Length of time preferred minimum of 1 week for take in, set up and take down and two weeks for length of show. Parking and hours for gallery sitters also need to be considered. Do members still want an Orange Open Juried show? We have not had a chairperson volunteer for this position either!
