HOSPITALITY /WAYS & MEANS

Message From the President

Hi All,

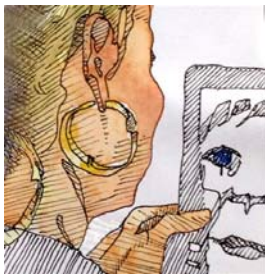

It's spring, and time to plan what our club members are going to bring to the Third Annual Garden Art Show at Barbee Andrina's on May 21! All proceeds from the show go to support the Orange Open!

Members are encouraged to bring a card table and sell arts and crafts, jewelry, etc. We will have a raffle and will provide refreshments. Bring family (but no children due to the swimming pool) and close friends. Also, you can bring a bottle of your favorite wine to share! Let's have a great time celebrating together.

Darcie Copeland will judge ribbons and cash for Best of Show and Best Use of Color or Form, and members will vote for Most Popular! To compete with your work you need to be a paid member OAA. If you haven't already done so before then, you can join (annual dues are \$25) when you deliver your work on Friday or Saturday before the show.

See you there!

News, Events, Announcements & Workshops

The Orange Art Association is now registered with **Meetup**, the social networking site for people who share common interests. We joined to spread the word about OAA and attract new members. But we encourage current members to join the Meetup group, too. It's free to join, and once you do you can get news about our meetings as soon as they are available. You may also make some new friends with fellow artists. To join, just go to www.meetup.com. When you get to the home page, scroll down to the black bar that reads How Meetup Works. On that bar, click Find a Meetup. That will generate a pop-up box asking you to register. Just follow the prompts; it's simple. Once you've done that. You'll see a page listing local Meetups. Type Orange Art Association in the search box. When you get to that page, just join. See you on Meetup!

Schroeder Studio is hosting a workshop on drawing and painting the face. It will be taught by Frank Eber and held May 2 and 3 (9:00 to 4:00 each day). The workshop fee is \$180 and enrollment is limited to 12. Although many know Frank's atmospheric landscapes, he is not as well known here for his skill in painting people. Students will be painting from photographs so each has a close up view of the subject, and the images will be provided by the artist. Knowing how to take photos for the best results is an important part of the process.

Frank is a Signature member of the American Watercolor Society, the National Watercolor Society, and the Transparent Watercolor Society of America. He is also an artist member of the prestigious California Art Club. His recent awards include an Excellence in Watermedia Award from the American Impressionist Society and a second place award for Plein Air from the Laguna Plein Air Painters.
