## Message From the President

Hi Members and Friends of Art,

I think most of you are with me, and have been enjoying the cooler weather -- finally out of the 100s, like our *fall* should be!

This winter's flu (etc.) hit several of our members, and I hope everyone has been able to bounce back. I was sick in November, December and again in January. But February was great for me. Thanks again for all your cards and phone calls.

Be sure and read about this month's demonstrator. She sounds extremely interesting, and that we might learn a lot from her.

We heard from Ken Church. He and his family have moved from our state. And he said he is enjoying the rustic nature around him for new artistic subjects and areas to paint.

It is the second month in our club calendar year. So, dues of \$25 for the full year (which have never changed in more than 10 years that I know of), remain in place and are due if you haven't already taken care of it. Hope to see you,

Barbara Hershey, O.A.A. President

P.S.: The Orange Civic Center art exhibit will be changed out at 10:00 a.m. on Thursday, March 15. We will install new art work at 11:00 a.m. the same day.

## March Meeting News

Our demonstrator on March 12 will be prolific painter Barbara Felisky. One key to her success has been releasing her work in limited edition fine art prints and, recently, in fine detailed tapestry items. Barbara will demonstrate 12 different media and approaches to one subject matter. It's amazing to see how things need to be rearranged to adapt to each medium. Barbara also will take questions about any and all aspects of submitting images for printmaking and tapestries.
